

rm_whitelist_entry

```
graph LR; A[rm_whitelist_entry] --> B[write_logentry]; B --> C[asctime];
```

A flowchart with three rectangular boxes connected by arrows. The first box, labeled 'rm_whitelist_entry', has a light gray background and a thick black border. A dark blue arrow points from its right side to the second box, labeled 'write_logentry', which has a white background and a thick black border. Another dark blue arrow points from the right side of the second box to the third box, labeled 'asctime', which also has a white background and a thick black border. The boxes are arranged horizontally and are of equal height.
