A diagram illustrating the relationship between three C source files and a common header file. At the top is a gray rectangular box labeled 'libphonefirewall.h'. Below it are three white rectangular boxes: 'pf_administration.c' on the left, 'pf_daemon.c' in the center, and 'pf_search.c' on the right. Three dark blue arrows point from each of the bottom boxes up to the top box, indicating that each source file includes the header file.
